

CHATHAM PLACE

Characterized by clean classic lines, casual distressed details and character markings, the Attic Heirlooms® Chatham Place collection by Broyhill exhibits classic shaker design at its best. The medium warm cherry finish is accented by a unique mix of authentic shaker-style hardware, while old fashioned turned legs and posts, plank-style surfaces, and tapered legs give this bedroom collection its classic traditional appeal. While its shaker roots are firmly planted in the past, Attic Heirlooms® Chatham Place is made for today homes, incorporating modern functional features and quality.

CLASSIC SHAKER APPEAL.
